Game Play:

20. Only designated slot machines will be eligible for Tournament play.

21. Each Participant will have two (2) – five (5) minute free sessions on Friday, June 2, 2023 and one (1) – five (5) minute free session on Saturday, June 3, 2023. Optional Bonus Round sessions will also be played on Saturday, June 3, 2023. Participants should be present near the tournament area ten (10) minutes before their assigned playing time. Prior to their play, all Participants are prohibited from entering the slot machine seating area until their session is announced. Spectators and other non-participants are prohibited from entering the slot machine seating area at any time during the rounds.

22. Any Participant who misses or is more than one (1) minute late for the start of his/her assigned session during any round will receive a score of zero (0) for that session unless an opening is available to reschedule that Participant to a later session in the same round. Rescheduling is not guaranteed and will be based on the availability of openings, if any, in later sessions in the same round. Any Participant who misses or is late for his/her session should immediately contact a Tournament official to seek rescheduling.

23. All slot machines will be set in 'tournament mode'. No coin or cash is used for tournament mode play. Non-redeemable points only will be generated on the Tournament Zone slot machine meters (instead of cash value credits), and the slot machine meters will show total accumulated points during each session. Tournament officials will verify that slot machine meters are set to zero at the beginning of each new session.

24. Participants may not push the slot machine "spin" or "play" button until directed to start the session. The session will end when the five (5) minute time limit on the slot machine has expired.

25. It is the Participant's responsibility to make sure the slot machine is set at max bet.

26. After each session played by Participants, including any Bonus Round sessions, Tournament officials will record each Participant's point total on the official scorecard, which will be signed by both the Participant and the Tournament official.

27. In the event of a slot machine malfunction during play, Participants should immediately notify a Tournament official. If a Participant is unsure whether a slot machine is malfunctioning, the Participant should remain at his/her assigned slot machine and attempt to continue play while notifying a Tournament official. Malfunctions must be confirmed by the Tournament Director. If it is determined the slot machine did not malfunction, the Participant's score will stand. If it is determined the slot machine did malfunction, the Participant's score for that session will be disregarded, and the Participant will be assigned a make-up session and machine.

Tie Breakers:

28. In the event of a tie for the First Place Grand Prize, there will be a tie-breaker round between the tied Participants. If a tie exists for First Place after the Participants scores for all standard rounds and Bonus rounds have been calculated and totaled, then the names of the tied Participants plus the starting time for the tie-breaker round shall be announced by the Tournament Director (and posted at Player Services). Should a tied Participant not show up at the specified playing time for the tiebreaker round, he/she will forfeit the tie-breaker.

a.) The tie-breaker round will consist of one (1) five (5) minute session to be played by all tied Participants. If a tie remains after the tie-breaker round, the remaining tied Participants will play in an additional round, using the same format, until a winner is determined. The ultimate winner of the tie-breaker will receive the First Place Grand Prize. The loser of the tie-breaker will be deemed the 2nd Place winner (if more than one Participant loses in the tie-breaker round, all losing tie-breaker Participants shall equally split the combined prize amounts for each of their placing positions as per Rule 28).

29. In the event of a tie for any prize position except for First Place Grand Prize, the tied participants will split the total combined prize amount for each placing position. By way of example only, if there is a tie between two (2) participants for 10th place, then the tied participants will equally split the combined prize amounts of 10th place (\$1,000.00) and 11th place (\$500.00), so that each participant would receive \$750.00. By way of another example, if there is a tie between four (4) participants for 18th place (\$500.00), then the tied participants will equally split the combined prize amounts for 18th, 19th and 20th places (i.e., \$1,500 divided by 4, or each receives \$375.00).

30. The list of all winners will be made available upon written request to: M Resort, Attn: Marketing – Tournament Director, 12300 Las Vegas Boulevard South, Henderson, Nevada 89044.

31. M Resort and PEI endorse responsible gaming. If you or someone you know has a problem gaming responsibly, please call the 24-hour Problem Gamblers Helpline at 1-800-522-4700.

32. Subject to the Gaming Laws, any dispute will be resolved by the Tournament Director, in his/her sole discretion and in a manner deemed by the Tournament Director to be fair to all concerned, and all decisions of the Tournament Director shall be final and binding on all Participants.

33. Subject to Gaming Laws, Participant agrees that: (i) any and all disputes, claims and causes of action arising out of or connected with this Tournament, or any prizes awarded, shall be limited to actual out-of-pocket costs incurred, including costs associated with entering the Tournament but in no event attorneys' fees; and (ii) under no circumstances will Participants be permitted to obtain awards for and Participant hereby waives all rights to claim punitive, incidental and consequential damages. All issues and questions concerning the construction, validity, interpretation and enforceability of these Rules, or the rights and obligations of the Participant and M Resort in connection with the Tournament, shall be governed by, and constructed in accordance with, the laws of the State of Nevada, without giving effect to any choice of law or conflict of law rules (whether of the State of Nevada or any other jurisdiction), which would cause the application of the laws of any jurisdiction other than the State of Nevada.

34. In consideration of participation in the Tournament and/or receipt of a prize award, Participants agree to defend, indemnify and hold harmless M Resort, PEI and each of their respective officers, directors and employees (collectively the "Indemnified Parties") to the fullest extent permitted by law, from and against any and all claims, demands, liabilities, fines, suits, actions, proceedings, orders, decrees, judgments, damages, costs, charges and expenses of any kind or nature including reasonable attorney fees, in defending any of the above, arising from, resulting from, in connection with, or on account of the performance or non-performance of the Tournament and the receipt, condition or quality of the prize or on account of any related action.

35. Each Participant and prize winner for him/herself, his/her heirs, executors, administrators, successors and assigns, hereby releases and forever discharges the Indemnified Parties from any and all manner of actions, causes of action, suits, debts, judgments, executions, claims and demands whatsoever now known, or unknown, in law and equity, that he/she ever had, now have, may have, or claim to have against any and all of the Indemnified Parties arising out of, or by reason of, the Tournament and the receipt, condition, or quality of the prize or any other matter relating thereto.
