

## **PENN Entertainment Reports Third Quarter Results**

WYOMISSING, PA (November 2, 2023) - PENN Entertainment, Inc. (“PENN” or the “Company”) (Nasdaq: PENN) today reported financial results for the three and nine months ended September 30, 2023.

Jay Snowden, Chief Executive Officer and President, said: “Our property level performance was stable in the third quarter reflecting solid results from our rated traditional core customer. We continued to see relative strength in several locations, including our casinos in Ohio, Kansas, Massachusetts, and Missouri, which highlights the benefits of our geographically diversified portfolio of premier regional gaming assets and the addition of retail sports betting offerings at many of our properties. Third quarter Interactive segment results reflect curtailed marketing in the U.S. as we prepared to transition our online sportsbook to the ESPN BET brand. Finally, we are excited to announce that we plan to simultaneously launch ESPN BET on November 14 across the 17 states in which we operate online sports betting, subject to final approvals. This strategic alliance is expected to further expand our digital ecosystem and drive re-engagement with the millions of customers in our digital and retail databases, leading to compelling cross-sell opportunities.

### **Stable Retail Performance**

Property level highlights<sup>1</sup>:

- Revenues of \$1.42 billion;
- Adjusted EBITDAR of \$523.4 million; and
- Adjusted EBITDAR margins of 36.8%.

“Retail performance this quarter was supported by a slight uptick in volumes from our rated customers, offsetting softness in our unrated segment in the South region, the continued return of our 65+ demographic, and moderate growth in our spend per visit trends,” said Mr. Snowden. “Additionally, our portfolio benefited from new and sustained engagement driven by our market leading retail sportsbook concepts. With the recent launch of our enhanced customer loyalty program, PENN Play™, we have continued to drive database growth and customer engagement. Our database now has over 27 million members, with approximately 40% of our growth for the quarter coming from our online offerings. Our continued investments in technology to improve the customer journey has led to 2.2 million app downloads, and we are seeing a double-digit premium in retail theoretical from guests that engage with us through the PENN Play app versus non app users. Finally, the adoption of our industry leading cashless, cardless and contactless technology (“3C’s”), which is now deployed at twenty-one properties, with more on the way, has resulted in approximately \$225 million in deposits into the PENN Wallet.

---

<sup>1</sup> Property level consists of retail operating segments which are composed of our Northeast, South, West, and Midwest reportable segments.

“We are also pleased to announce that we expect to break ground on our four growth projects throughout November and December of this year. These investments in the aggregate will create long-term shareholder value driven by their attractive return profiles and also contribute to our strong free cash flow generation upon opening in late 2025 and early 2026.

## **ESPN BET Planned Launch on November 14<sup>2</sup>**

Interactive Segment highlights:

- Revenues of \$196.3 million (including tax gross up of \$102.6 million); and
- Adjusted EBITDA loss of \$50.2 million.

“We are extremely excited to announce the planned launch of ESPN BET prior to the active Thanksgiving week sports calendar that includes the NCAA college football rivalry week and the Super Bowl rematch of the Kansas City Chiefs and the Philadelphia Eagles televised on ESPN’s Monday Night Football. ESPN BET will be powered by our proprietary and proven technology platform, which continues to drive impressive performance in Ontario under theScore Bet brand for both online sports betting and iCasino. Our ESPN BET product will include a wide array of popular betting options, including featured bets, quick bets (micro-markets), player props, same game parlays and more. In connection with the launch, ESPN will be implementing an initial wave of exclusive integrations targeting their 200 million loyal fans across their linear and digital platforms, including an advertising campaign headlined by SportsCenter anchors Scott Van Pelt and Elle Duncan. Looking ahead, we will be introducing even deeper platform and media integrations with ESPN over the upcoming months, providing an unmatched and seamless media/betting experience that will appeal to sports fans across the country.

## **ESG – Caring for our People, our Communities and our Planet**

“Reflective of the continued strides we have made to date on the ESG front, Forbes Magazine once again named PENN as one of ‘America’s Best Employers for Diversity 2023’ and ‘America’s Best Large Employers for 2023.’ In addition, Newsweek added PENN to their list of ‘Greatest Workplaces for 2023’ and Time Magazine named PENN one of the ‘World’s Best Companies.’ Finally, on October 4, our Company was once again honored by the Women’s Forum as a 2023 Champion of Board Diversity. During the quarter we updated our Scope 1 and 2 greenhouse gas emissions inventory for 2022 and are finalizing our 2022 Scope 3 inventory, the results of which will be included in our Corporate Social Responsibility Report in April 2024. In addition to alignment with the Casino and Gaming industry standard of the SASB reporting framework, we are working toward alignment with the Task Force on Climate-Related Financial Disclosures (“TCFD”). We also recently submitted our inaugural CDP climate-change disclosure.”

## **Liquidity Remains Strong**

Total liquidity as of September 30, 2023 was \$2.3 billion inclusive of \$1.3 billion in cash and cash equivalents. Traditional net debt as of the end of the quarter was \$1.3 billion and the lease-adjusted net leverage ratio was 4.7x.

Additional information on PENN’s reported results, including a reconciliation of the non-GAAP results to their most comparable GAAP measures, is included in the financial tables below. The Company does not provide a reconciliation of projected Adjusted EBITDA and Adjusted EBITDAR because it is unable to

<b>Total Adjusted EBITDAR <sup>(8)</sup></b>	<b>\$ 445.1</b>	<b>\$ 471.9</b>	<b>\$ 1,400.1</b>	<b>\$ 1,471.1</b>

- (1) The Northeast segment consists of the following properties: Ameristar East Chicago, Hollywood Casino at Greektown, Hollywood Casino Bangor, Hollywood Casino at Charles Town Races, Hollywood Casino Columbus, Hollywood Casino Lawrenceburg, Hollywood Casino Morgantown, Hollywood Casino at PENN National Race Course, Hollywood Casino Perryville, Hollywood Casino Toledo, Hollywood Casino York, Hollywood Gaming at Dayton Raceway, Hollywood Gaming at Mahoning Valley Race Course, Marquee by PENN, Hollywood Casino at The Meadows, and Plainridge Park Casino.
- (2) The South segment consists of the following properties: 1<sup>st</sup> Jackpot Casino, Ameristar Vicksburg, Boomtown Biloxi, Boomtown Bossier City, Boomtown New Orleans, Hollywood Casino Gulf Coast, Hollywood Casino Tunica, L'Auberge Baton Rouge, L'Auberge Lake Charles, and Margaritaville Resort Casino.
- (3) The West segment consists of the following properties: Ameristar Black Hawk, Cactus Petes and Horseshu, M Resort, Tropicana Las Vegas Hotel and Casino (sold on September 26, 2022), and Zia Park Casino.
- (4) The Midwest segment consists of the following properties: Ameristar Council Bluffs, Argosy Casino Alton, Argosy Casino Riverside, Hollywood Casino Aurora, Hollywood Casino Joliet, our 50% investment in Kansas Entertainment, LLC, which owns Hollywood Casino at Kansas Speedway, Hollywood Casino St. Louis, Prairie State Gaming, and River City Casino.
- (5) The Interactive segment includes all of our online sports betting, iCasino and social gaming operations, management of retail sports betting, media, and the operating results of Barstool Sports, Inc. ("Barstool" or "Barstool Sports"). We owned 36% of Barstool common stock prior to the acquiring the remaining 64% of Barstool common stock on February 17, 2023. In connection with PENN's decision to rebrand our online sports betting business from Barstool Sportsbook to ESPN BET, PENN entered into a stock purchase agreement with David Portnoy, and on August 8, 2023 we sold 100% of the outstanding shares of Barstool. Interactive revenues are inclusive of a tax gross-up of \$102.6 million and \$63.0 million for the three months ended September 30, 2023, and 2022, respectively, and \$283.4 million and \$168.7 million for the nine months ended September 30, 2023, and 2022, respectively.
- (6) The Other category, included in the tables to reconcile the segment information to the consolidated information, consists of the Company's stand-alone racing operations, namely Sanford-Orlando Kennel Club, Sam Houston and Valley Race Park, the Company's JV interests in Freehold Raceway and our management contract for Retama Park Racetrack. The Other category also includes corporate overhead costs, which consist of certain expenses, such as: payroll, professional

fees, travel expenses, and other general and administrative expenses that do not directly relate to or have not otherwise been allocated. Corporate overhead costs were \$27.0 million and \$26.5 million for the three months ended September 30, 2023, and 2022, respectively, and \$78.1 million and \$74.9 million for the nine months ended September 30, 2023, and 2022, respectively.

- (7) Primarily represents the elimination of intersegment revenues associated with our retail sportsbooks, which are operated by PENN Interactive.
- (8) As noted within the “Non-GAAP Financial Measures” section below, Adjusted EBITDAR is presented on a consolidated basis outside the financial statements solely as a valuation metric or for reconciliation purposes.

## Non-GAAP Financial Measures

The Non-GAAP Financial Measures used in this press release include Adjusted EBITDA, Adjusted EBITDAR, Adjusted EBITDAR margin, Adjusted EPS, traditional net debt, and lease-adjusted net leverage ratio. These non-GAAP financial measures should not be considered a substitute for, nor superior to, financial results and measures determined or calculated in accordance with GAAP.

We define Adjusted EBITDA as earnings before interest expense, net; interest income; income taxes; depreciation and amortization; stock-based compensation; debt extinguishment charges; impairment losses; insurance recoveries, net of deductible charges; changes in the estimated fair value of our contingent purchase price obligations; gain or loss on disposal of assets; the difference between budget and actual expense for cash-settled stock-based awards; pre-opening expenses; loss on disposal of a business; non-cash gains/losses associated with REIT transactions; non-cash gains/losses associated with partial and step acquisitions as measured in accordance with ASC 805 "Business Combinations"; and other. Adjusted EBITDA is inclusive of income or loss from unconsolidated affiliates, with our share of non-operating items (such as interest expense, net; income taxes; depreciation and amortization; and stock-based compensation expense) added back for Barstool (prior to our acquisition of Barstool on February 17, 2023) and our Kansas Entertainment, LLC joint venture. Adjusted EBITDA is inclusive of rent expense associated with our triple net operating leases with our REIT landlords. Although Adjusted EBITDA includes rent expense associated with our triple net operating leases, we believe Adjusted EBITDA is useful as a supplemental measure in evaluating the performance of our consolidated results of operations.

Adjusted EBITDA has economic substance because it is used by management as a performance measure to analyze the performance of our business, and is especially relevant in evaluating large, long-lived casino-hotel projects because it provides a perspective on the current effects of operating decisions separated from the substantial non-operational depreciation charges and financing costs of such projects. We present Adjusted EBITDA because it is used by some investors and creditors as an indicator of the strength and performance of ongoing business operations, including our ability to service debt, and to fund capital expenditures, acquisitions and operations. These calculations are commonly used as a basis for investors, analysts and credit rating agencies to evaluate and compare operating performance and value companies within our industry. In order to view the operations of their casinos on a more stand-alone basis, gaming companies, including us, have historically excluded from their Adjusted EBITDA calculations certain corporate expenses that do not relate to the management of specific casino properties. However, Adjusted EBITDA is not a measure of performance or liquidity calculated in accordance with GAAP. Adjusted EBITDA information is presented as a supplemental disclosure, as management believes that it is a commonly used measure of performance in the gaming industry and that it is considered by many to be a key indicator of the Company's operating results.

We define Adjusted EBITDAR as Adjusted EBITDA (as defined above) plus rent expense associated with triple net operating leases (which is a normal, recurring cash operating expense necessary to operate our business). Adjusted EBITDAR is presented on a consolidated basis outside the financial statements solely as a valuation metric. Management believes that Adjusted EBITDAR is an additional metric traditionally used by analysts in valuing gaming companies subject to triple net leases since it eliminates the effects of variability in leasing methods and capital structures. This metric is included as a supplemental disclosure because (i) we believe Adjusted EBITDAR is traditionally used by gaming operator analysts and investors to determine the equity value of gaming operators and (ii) Adjusted EBITDAR is one of the metrics used by other financial analysts in valuing our business. We believe Adjusted EBITDAR is useful for equity valuation

purposes because (i) its calculation isolates the effects of financing real estate; and (ii) using a multiple of Adjusted EBITDAR to calculate enterprise value allows for an adjustment to the balance sheet to recognize estimated liabilities arising from operating leases related to real estate. However, Adjusted EBITDAR when presented on a consolidated basis is not a financial measure in accordance with GAAP, and should not be viewed as a measure of overall operating performance or considered in isolation or as an alternative to net income because it excludes the rent expense associated with our triple net operating leases and is provided for the limited purposes referenced herein. Adjusted EBITDAR margin is defined as Adjusted EBITDAR on a consolidated basis (as defined above) divided by revenues on a consolidated basis. Adjusted EBITDAR margin is presented on a consolidated basis outside the financial statements solely as a valuation metric.

Adjusted EPS is diluted earnings or loss per share adjusted to exclude loss on disposal of a business; non-cash gains/losses associated with REIT transactions; non-cash gains/losses associated with partial and step acquisitions as measured in accordance with ASC 805 "Business Combinations," impairment losses, pre-opening expenses, debt extinguishment charges, gains or losses on disposal of assets, foreign currency gains/losses, transaction related expenses, business interruption insurance proceeds, and net gains/losses related to equity investments.

Adjusted EPS is a non-GAAP measure and is presented solely as a supplemental disclosure to reported GAAP measures because management believes this measure is useful in providing period-to-period comparisons of the results of the Company's operations to assist investors in reviewing the Company's operating performance over time. Management believes it is useful to exclude certain items when comparing current performance to prior periods because these items can vary significantly depending on specific underlying transactions or events. Also, management believes certain excluded items may not relate specifically to current operating trends or be indicative of future results. Adjusted EPS should not be construed as an alternative to GAAP earnings per share as an indicator of the Company's performance.

We calculate Traditional net debt as "Total traditional debt," which is the principal amount of debt outstanding (excludes the financing obligation associated with cash proceeds received and non-cash interest on certain claims of which the principal repayment is contingent) less "Cash and cash equivalents." Management believes that Traditional net debt is an important measure to monitor leverage and evaluate the balance sheet. With respect to Traditional net debt, Cash and cash equivalents are subtracted from the GAAP measure because they could be used to reduce the Company's debt obligations. A limitation associated with using traditional net debt is that it subtracts Cash and cash equivalents and therefore may imply that there is less Company debt than the most comparable GAAP measure indicates. Management believes that investors may find it useful to monitor leverage and evaluate the balance sheet.

The Company's Lease-adjusted net leverage ratio's numerator is calculated as cash rent payments to REIT landlords for the trailing twelve months capitalized at 8 times plus Total traditional debt (as defined above), less Cash and cash equivalents. The Company's Lease-adjusted net leverage ratio's denominator is Adjusted EBITDAR (as defined above) for the trailing twelve months. Management believes this measure is useful as a supplemental measure and provides an indication of the results generated by the Company in relation to its level of indebtedness (including leases) with the cash generated from Company operations.

Each of these non-GAAP financial measures is not calculated in the same manner by all companies and, accordingly, may not be an appropriate measure of comparing performance among different companies. See the tables above, which present reconciliations of these measures to the GAAP equivalent financial measures.
